Dear Michael:

I am writing this letter to extend the utmost gratitude from all of us at EOC Child Care Resource Connection. We truly appreciated and enjoyed the recent seminar. Not only was the information applicable to our work, but, reportedly, it was also presented in the most enthusiastic and entertaining manner of any seminar our staff has attended. We can not thank you enough for your time with us.

Our staff had the following to say about you and the training:

- *“Very effective and excellent public speaker.”*
- *“Very dynamic and engaging presenter. Not a boring moment in the whole six hours.”*
- *“It was very effective and presented to the audience in a way that was both interesting and fun at the same time.”*
- *“I feel honored to have had the pleasure of Michael’s dynamic presence twice now. He is the most enthusiastic trainer I’ve encountered in years. He is fully present in the moment, genuinely interested, gratuitously kind and feverishly engaging. I expect nothing but greatness from him. His vibrant energy will touch lives.”*

Once again, we thoroughly enjoyed the training and look forward to the possibility of scheduling future trainings with you.

Sincerely,

R.A. Daney
